

# Francization for preschool children

## Francization services...

A pre-school French service will be offered again this year to all children with parents who have the right to the French. This service will be offered in sessions of 2 hours per week the period of Jan – May. This is a “Free” service and is offered in the following regions: Campbellton-Atholville, Dalhousie, Bathurst and Beresford-Petit-Rocher.

## To learn French ...

The object of this service is to help children who speak little to no French, to develop new language skills in French and to help make the school entry easier. This will also be an occasion to socialize with other children their own age.

## ...while playing!

We will introduce activities in forms of games, crafts, activities and songs to help develop a new French vocabulary.

## Parents are invited!

Parents are welcome to attend the sessions or can drop off and pick up their child at the appointed time. The location and the time schedule of these meetings will be available soon.
